

Original Picture

Altered Picture

Triadic Color Scheme: Orange, Green, Purple (secondary colors)

Color 'bounces around' more (not localized to cupboards)

More playful, fun and casual feeling (With a sense of mystic and royal qualities, purple is a color often well liked by very creative or eccentric types, Fun and flamboyant orange radiates warmth and energy/ Stimulates activity, appetite and encourages socialization, green suggests the natural world and Offers a sense of renewal, self-control, and harmony')
